## RESORT NEWS

### From The Welcome Center

#### Membership Cards

Your membership card will be the same card you were issued last year. This season you will need either your Membership card or your Member number to make a purchase anywhere on the property. If you have lost your card there is a \$10.00 replacement charge.

You will be able to access the property through the middle inbound lane with your Member card. If you do not have a Member card from last season please contact the Welcome Center.

#### Decals

If you haven't mailed in your vehicle registrations, please mail or email them to us at [membershipcards@baypointmgt.com](mailto:membershipcards@baypointmgt.com)

#### Launch Scheduling

We are now scheduling times for boat launches with the first available date being April 15th, We will be launching boats on Monday, Friday, and Saturday. If you would like Bay Point to launch your boat, please call the Welcome Center to sched-

Weather

### From the Gas Dock

The Gas Dock is NOW open!  
Friday, Saturday and Sunday 8:00-4:30 pm

We finished our construction work and have a new facility.

### Be Safe!

The season is beginning and Bay Point would like to ask our members and their families to remember some safety issues that we addressed last year!

**If you own a Golf Cart please drive the speed limit and stay on your side of the road. Be respectful and aware of others safety as well as your own. If you do not have a license you cannot drive a Golf Cart..**

Do not drive your Golf Cart in between lots in the campground-this is for the safety of the children and members. Please stay on the roads.

### From Catering and Events

Be sure and get your party booked early. Bay Point is booking dates earlier this season.

**Call and talk to Tex –419-798-4434  
Let her customize your next party!**
