RESORT NEWS

From the Welcome Center

Membership Cards

Your membership card will be the same card you were issued last year. This season you will need either your Membership card or your Member number to make a purchase anywhere on the property. You will be able to access the property through the middle inbound lane with your Member card. If you do not have a Member card from last season please contact the Welcome Center.

Decals

If you haven't mailed in your vehicle registrations, please mail or email them to us at membershipcards@baypointmgt.com

Guest Passes

The growth we have experienced the past several seasons have been phenomenal but it has also created some challenges. In order to provide the high level of service you've come to expect in our venues, we're asking you to consider limiting the number of guests you have on the weekends, especially holiday weekends. While we are not limiting the number of guests you can now have, there may be a time in the future where we need to adjust our guest pass policy.

Launch Scheduling

We are now scheduling times for boat launches with the first available date being April 15th. We will be launching boats on Monday, Friday, and Saturday. If you would like Bay Point to launch your boat, please call the Welcome Center to schedule a date. 419-798-4434

Ramp Passes

Due to limited parking and dockage, ramp passes will not be sold to guests. Members may purchase ramp passes but must place the trailer in the guest parking area (west side of the accessory area). All trailers must have the name of the owner on the trailer tongue. No exceptions. No empty trailers will be allowed on the property unless they are registered to be in the accessory area.

From the Shores Club

The Shores Club

Opens April 21st
Friday -4:00-10:00 pm
Saturday-11 am-9:00 pm
