NEW HAPPENINGS

The Shores Club **Opening April 24th!!!**

From the moment you arrive at The Shores Club you will see things are different this year . . . starting with where you enter!

Instead of walking up the sidewalk, you will walk along the boardwalk towards the beach to our new North Deck entrance where you will be greeted by our friendly staff.

On busy nights during the season, you will be served by a bartender right on the North Deck. Enjoy a drink while we find a suitable table for you and your family!

Coming in May, the North Deck will be covered and can be enclosed during Spring and Summer rains. The Channel Deck tent will also be available with a full menu!

Speaking of Menus: Did you know? We not only changed up the menu, but we have completed major remodeling to the kitchen that will greatly improve efficiency and make your experience at The Shores Club more enjoyable!

Watch the newsletter and your email in coming weeks for more information on exciting new menu offerings including:

- *New weekend breakfast buffet
- *New Family Style Sunday dinner
- *New World-Themed weekend specials

(Don't worry - your old favorites are back, too!)

ATTENTION ALL VETERANS!

We're planning a special celebration honoring Bay Point members who are veterans!
