We are compiling a list of members and friends to be remembered at the Memorial Service. To insure we don't miss anyone, we're asking you to provide us with the name of any member or friend by emailing (dbarth@baypointmgt.com), or stopping in the Welcome Center and providing us with the person's name. The deadline to submit names is Wednesday, July 26th by 5 p.m.

If you should have any questions regarding the Memorial Service please don't hesitate to contact the Welcome Center.

Members are reminded that they are able to use their Bay Point membership card by using the middle entrance lane but they must have a current decal on their vehicle to do so. If you do not have a decal, you will need to enter using the gate house entrance lane. Marina members that have their trailers either in the accessory area or in trailer storage are reminded that they need to put their name on the tongue of their trailer. This will make it easier for all members to take the correct trailer and not taking another member's trailer that looks similar.
