Season is winding down

Now's the time to complete your winter storage agreement to take advantage of \$1.00 per foot savings by paying the agreement in full as the deadline is Oct. 1st.

This year we're again offering winter preparation service in addition to our regular winter storage. If you purchase a minimum of \$110.00 of marine winterization services (not including shrink wrap) you can secure your winter storage for \$18.00 per foot.

You may choose a two-payment plan with 50% of the total payment due prior to haul out. The balance is due on or before December 1, 2017. Payments may be made by check or credit card.

Call the Welcome Center regarding your winter storage contract at 419-798-4434 or Kevin Oxendale for your winterization service at 419-798-0394

Early Fall Sunrise!

The 2018 marina and campground contracts were e-mailed out a little over four weeks ago. Oct 15th is the deadline to save discounts with the "Paid in Full" and "Payment Plan Discount". If you have not received your agreements or you have questions, please call the Welcome Center at 419-798-4434
